GATE CITY HIGH SCHOOL HERE AND NOW: PAST AND PRESENT

Life at Gate City High School will always affect us. Here, in a sense, we have made our destiny. We have quarreled, loved and grown together. Our victories, our defeats, our dreams, and our realities are now memories of the year behind.

Here and Now: Past and Present. Students are Gate City High School. Students whose footsteps first echoed in these halls and students who now retrace those same footsteps are Gate City High School; a group of people pursuing goals, dreams, and life.

The 1981 Blue Devil Yearbook is dedicated to you, the students. Without you, Gate City High School would only be a building.

I have no Yesterdays,
Time took them away;
Tomorrow may not be -
But I have today.
Pearl Yeadon McGinnis

DEDICATED TO YOU, THE STUDENTS OF GCHS, FOR WITHOUT YOU THERE WOULD BE NO YEARBOOK.

WE WELCOME THE NEW FACULTY TO GATE CITY HIGH SCHOOL.

SOME TIME AGO THE TERM "MEETING INDIVIDUAL NEEDS" ENTERED THE VOCABULARY OF THE GATE CITY HIGH SCHOOL FACULTY. THIS TERM IS IMMENSELY MEANINGFUL TO ME BECAUSE THE FACULTY HERE IS CONCERNED WITH THE STUDENT AS A TOTAL PERSON. WE STRIVE TO TRANSCEND MERE INTELLECTUALIZING AND PRODUCE A BETTER, MORE FULFILLED GRADUATE. WE HOPE THAT IN THE TIME YOU SPEND AT GATE CITY HIGH SCHOOL, YOU WILL STRIVE TO BECOME AN INDEPENDENT LEARNER, TO TAKE RESPONSIBILITY FOR YOUR OWN EDUCATION, TO BECOME FULFILLED. PERHAPS WE SHOULD JOIN THE LORD OF LA MANCHA ON WHAT HE CALLS HIS QUEST-"TO REACH THE UNREACHABLE STAR."

PRESIDENTIAL SCHOLARS FROM GATE CITY HIGH SCHOOL

Richard Eric Thompson and Tim L. France represented Gate City High School at the Presidential Classroom for Young Americans in Washington, D.C. during the week of January 24-31, 1981 which was Class I.

The Presidential Classroom for Young Americans provided a concentrated study of United States Government through direct exposure and personal contact with the institutions and leaders of the nation. The program created an awareness of the problems of modern democratic government, a greater understanding of American legislative, executive, and judicial processes, and a humanized appreciation of the political relationships and influences that shape our system of government and the conduct of its affairs. The Classroom provided an innovative academic framework in which the students were encouraged to examine and assess the political process by meeting with and questioning national decision makers. The Classroom was strictly non-partisan and did not seek to influence legislation or policy or to organize opinion on behalf of any governmental or private interests.

Miss Betty Snodgrass and Mrs. Fostena Parkey sponsored this participation in the Classroom for the first time in the history of Gate City High School.

HOW TO BEST REMEMBER 1980-INFLATION

The best thing about 1980 was inflation. Prices went sky-high and everywhere people rejoiced. There is nothing like the knowledge that you can buy less with your paycheck.

Yessiree, folks, inflation can be the best thing that ever happened to you if you play your cards just right. Do not be abject if a man wearing a Bill Blass suit, Gucci shoes, and a Cartier watch steps out of a Rolls-Royce and steals your last nickel. Some people just cannot cope with poverty.

the Challenge

From the atom to the sun... the universe pulsates with energy in many forms.

The challenge is to find ways... new ways... to utilize the earth's vast storehouse of fuels in providing the energy needed for this nation to continue to be great.

The means—innovative technologies, exotic engineering, dynamic architecture—exciting advances that must come if man is to tap Nature's lode for the energies he needs.

From the smallest part of the universe to the largest... that's the scope of the energy field today. The opportunity for personal achievement is infinite; the challenge, one that must be met.

The American Free Enterprise System

There is no greater service to mankind than to operate a business or industry fairly and profitably, to provide jobs in the community, and to produce goods which satisfy our needs.

Free enterprise has made America great. American business at work in the free enterprise system serves mankind better than any other system in the world. We need to understand the free enterprise system and to help others to understand it so that it will never be lost.

FOREVER IN MEMORY
LISA KAY HALL
MARCH 1963 FEBRUARY 1978

FOR LISA

As the sun rose
To begin a new day,
The garden of life had lost one of its blossoms.

A blossom which still shone
With the dew of youth,
The petals untouched by the world around them.

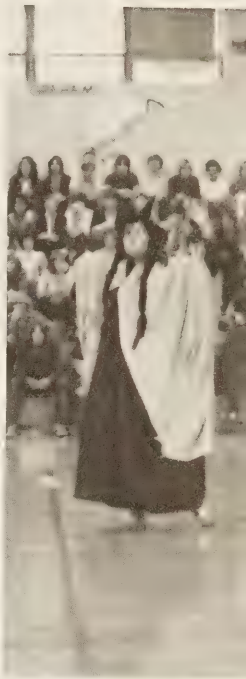

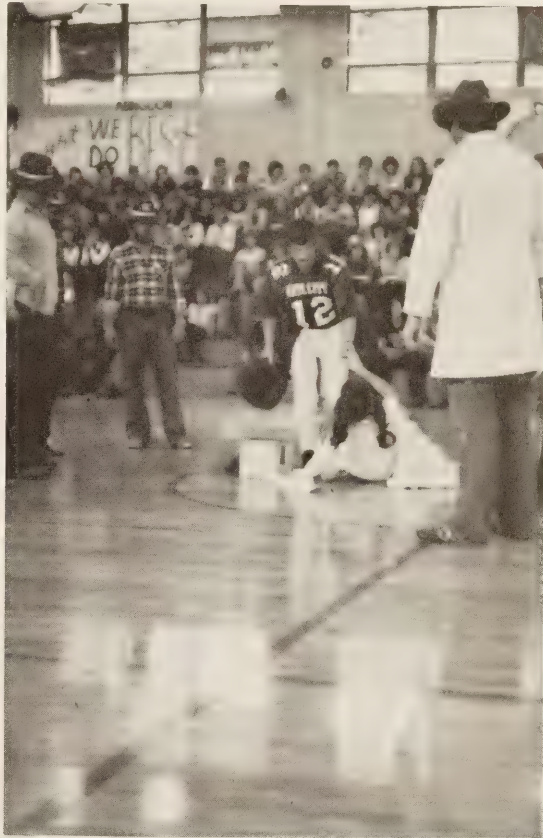

And here, in mother life,
A bouquet received a fresh bloom,
Yet in our hearts that same flower lived.

LIFE

I touch the spirit
and the spirit is alive.
I saw the darkness
and the darkness was bright.
I walked the earth
and the earth moved me.
I rose to the sunrise
and was alive.
I felt the pains of love
and was pleased.
I am
and I live.
